

REMARKS

Claim 3 has been canceled. Claims 1, 4, 5, and 20 have been amended to clarify the subject matter regarded as the invention. Claims 1-2, 4-8, 10-14, and 20 are pending.

Subject Matter Indicated as Being Allowable

The Examiner has indicated that claims 3-5 contain allowable subject matter. Claims 1, 4, and 5 have been amended to include all of the limitations of claims 3, 4, and 5, respectively, as well as the base claims and any intervening claims. It is therefore believed that claims 1, 3, and 5 are allowable.

Claims 2, 6-8, and 10-14 depend from claim 1 and are therefore believed to be allowable for the same reasons described above.

Claim 20 recites a receiver configured to carrying out the method of claim 1 and is believed to be allowable for the same reasons as claim 1.

The foregoing amendments are not to be taken as an admission of unpatentability of any of the claims prior to the amendments.

Reconsideration of the application and allowance of all claims are respectfully requested based on the preceding remarks. If at any time the Examiner believes that an interview would be helpful, please contact the undersigned.

Dated: 12/23/09
